Amy: at this time, the Planning Board will not be meeting until after your February 18th cut-off date. If we do meet I will put it on our agenda.

Subject: Summer St. 40B request for department comments

Hi All,

In our attempt to do things more electronically, attached is a request for Board/ Department comments for the Summer St. 40B that was just recently filed with the ZBA. If you'd like a hard copy of the project, is it available in our office in Room 212. The link that is provided on the attachment will take you directly to the project that was uploaded onto the Town Website. If any of you have any questions, please feel free to contact either me, or Ashley Clark, who is included on this email.

Thanks,
Amy
